

# Lyneal Newsletter August 2024

hello@lynealactivitycentre.org.uk  
www.lynealactivitycentre.org.uk

Welcome to our newsletter as we get ready for the new school year!

## **WORKING PARTY DAYS**

A huge thank you to all the volunteers who have been to help at our working party days throughout 2024. It is always appreciated no matter how long you are able to come for and whatever task you manage to do. We wouldn't be able to do it without you!

Dates for the remainder of 2024 along with 2025 dates are on our website

## **EXTERNAL PAINTING**

We have progressed with the external woodwork painting to give Lyneal a freshen up for the new year and the wet weather to come.

## **OUTDOOR AREA**

We have had good feedback from users of the outdoor cooking equipment and we hope you continue to use it going forwards. The garden beds have a mixture of flower and herbs which attract lots of local wildlife and make the area more appealing. We hope to continue to maintain these. Our next project will be more sturdy benches and we are currently applying for funding for these.

## **BOOKINGS FOR 2025**

The website has been updated with the booking documents for 2025. We have agreed a slight increase due to the cost of utilities increasing and we aim to keep all other costs lower by volunteers doing the odd jobs where we can.

We also now offer hourly bookings (although a minimum fee of 2 hours) and the booking forms for these are on the website

## **FUNDRAISING**

Thank you to anyone who has purchased something from our Lyneal shop or bought a raffle ticket at County Day or Elements camp. These also help us to keep our fees down.

## **LOOKING TO 2025**

Is there anything you would like to see at Lyneal? Is there any equipment you feel is missing? Is there an event we could host? Drop us an email with ideas!

Also, look out for our Leaders Social Event coming out being held in Summer 2025

Yours in Guiding
